1. The first part of the document discusses the importance of maintaining accurate records of all transactions and the role of the accounting department in ensuring the integrity of the financial statements.

2. It is essential that all transactions are recorded in a timely and accurate manner, and that the accounting department is kept informed of any changes to the company's financial position.

3. The second part of the document outlines the various methods used to collect and analyze financial data, including the use of spreadsheets and statistical software.

4. It is important to ensure that the data is collected and analyzed in a consistent and reliable manner, and that the results are used to inform the company's financial decisions.

5. The third part of the document discusses the various methods used to prepare and present financial statements, including the use of the accrual method of accounting and the preparation of the balance sheet, income statement, and cash flow statement.

6. It is important to ensure that the financial statements are prepared and presented in a clear and concise manner, and that they accurately reflect the company's financial position.

7. The fourth part of the document discusses the various methods used to monitor and control the company's financial performance, including the use of budgeting and variance analysis.

8. It is important to ensure that the company's financial performance is monitored and controlled in a consistent and reliable manner, and that the results are used to inform the company's financial decisions.

9. The fifth part of the document discusses the various methods used to manage the company's financial risk, including the use of hedging and insurance.

10. It is important to ensure that the company's financial risk is managed in a consistent and reliable manner, and that the results are used to inform the company's financial decisions.

11. The sixth part of the document discusses the various methods used to ensure the company's financial compliance with applicable laws and regulations, including the use of internal controls and external audits.

12. It is important to ensure that the company's financial compliance is maintained in a consistent and reliable manner, and that the results are used to inform the company's financial decisions.

13. The seventh part of the document discusses the various methods used to ensure the company's financial transparency and accountability, including the use of financial reporting and disclosure.

14. It is important to ensure that the company's financial transparency and accountability is maintained in a consistent and reliable manner, and that the results are used to inform the company's financial decisions.

15. The eighth part of the document discusses the various methods used to ensure the company's financial sustainability and long-term success, including the use of financial planning and strategic management.

16. It is important to ensure that the company's financial sustainability and long-term success is maintained in a consistent and reliable manner, and that the results are used to inform the company's financial decisions.

17. The ninth part of the document discusses the various methods used to ensure the company's financial security and protection, including the use of financial risk management and insurance.

18. It is important to ensure that the company's financial security and protection is maintained in a consistent and reliable manner, and that the results are used to inform the company's financial decisions.

19. The tenth part of the document discusses the various methods used to ensure the company's financial growth and expansion, including the use of financial investment and capital management.

20. It is important to ensure that the company's financial growth and expansion is maintained in a consistent and reliable manner, and that the results are used to inform the company's financial decisions.

[REDACTED]

21 Q. (BY MR. INNES) The first
22 paragraph reads -- I can read it in total,
23 "By any measure, opioid abuse in the
24 United States has reached crisis proportions.
25 The number of opioid prescriptions has nearly

1 tripled from 76 million in 1991 to
2 approximately 207 million in 2013.

3 "The U.S. accounts for
4 80 percent of the world's consumption of
5 opioid painkillers and 99 percent of the
6 hydrocodone. This remarkable volume is
7 severely harming consumer health, costing the
8 country more than \$78 billion annually in
9 associated costs and taking a tragic toll on
10 countless individuals and society as a
11 whole."

12 Do you agree with the sum and
13 substance of that paragraph?

14 MS. TABACCHI: Object to the
15 form.

16 THE WITNESS: I don't have any
17 reason to dispute these as being
18 accurate.

19 Q. (BY MR. INNES) Okay. What's
20 interesting to me is that this paragraph
21 discusses opioid prescriptions. It doesn't
22 discuss opioid distribution, does it?

23 A. Not -- no.

6 MR. INNES: Can we go off the
7 record?

8 THE VIDEOGRAPHER: 4:35. We
9 are off the video record.

10 (Recess taken, 4:35 p.m. to
11 4:44 p.m.)

12 THE VIDEOGRAPHER: 4:45. We
13 are on the video record.

14 Q. (BY MR. INNES) Okay,
15 Ms. Hiland, we're back. We'll make one final
16 push. I think we can be quick about this.
